

CELL PHONES and ELECTRONIC COMMUNICATION DEVICES

Use of cell phones and electronic pagers, while an aid to communication and safety, can be a distraction to students and staff alike. Accordingly, the use of electronic pagers, cell phones and other electronic communication devices on campus during the school day is strictly regulated.

- ◆ **Cell phones and other electronic communication devices must be turned off and kept out of sight at all times in the building. Ideally, such devices should be kept in the student's purse or backpack.**
- ◆ Cell phones and electronic communication devices must be turned off and out-of-sight whenever the student is attending class, assemblies or other school activities, regardless of location.
- ◆ Cell phones and electronic communication devices may not be activated in the "D" Building; however, students may use cell phones and electronic communication devices outside of Building D. Students may use cell phones and electronic communication devices elsewhere on campus when not attending class or school activities.
- ◆ **Students must register cell phone numbers and other electronic access numbers with the CHS office and update numbers if/when they change.**
- ◆ Students may not share or post personal information about or images of any other student or staff member without permission from that student or staff member.
- ◆ Students who need ongoing access to a cell phone for emergency or other safety reasons must make prior arrangements with the CHS Office.
- ◆ All student use of the school internet system, personal cell phones or other digital devices used by students on campus is subject to the provisions of the CHS Code of Conduct. In no case may cell phones and electronic communication devices be used in furtherance of activities that violate the CHS Code of Conduct, other school or college policy or other illegal activity.
- ◆ Failure to observe these rules will result in formal or informal disciplinary action.
