Call to Order:

Denise Wagner called the meeting to order at 3:30 pm on June 28, 2017.

Old Business:

The minutes from the previous virtual meeting were approved by vote.

New Business:

Due to Mr. Boyer's attendance at an out of town NWFSC conference, Mrs. Cruickshank updated the council on current state of Collegiate High and NWFSC. She reported that several new people were being hired due to retirements and reorganization. The college is working diligently to increase enrollment. Collegiate remains stable with 75 sophomores and 34 "new" juniors.

Mrs. Cruickshank provided information about the 2016-17 School Enhancement Plan Follow Up. This document shows how well Collegiate completed its objectives for 2016-17. In particular, Mrs. Cruickshank pointed out that information for CHS Alumni database had been requested and some data is coming in. Also, plans for a focus group of students are in progress and planned for the next school year. The council members asked questions for clarification, suggested re-wording for next year and pointed out some grammatical errors.

A motion was made to approve the document with the suggested changes, seconded and the motion was passed. The Follow-Up plan will be presented to the NWFSC Board of Trustees at its next meeting.

Dr. Ritter and Mrs. Cruickshank thanked the members of the council for their service during the 2016-17 school year.

Next Meeting Date and Time:

The next meeting day and time is scheduled for September 2017 after voting for new SAC members has taken place.

The meeting was adjourned by Mrs. Wagner at 4:29.
