

COLLEGIATE HIGH SCHOOL AT NORTHWEST FLORIDA STATE COLLEGE ANNUAL REPORT FOR 2016-17

EXECUTIVE SUMMARY

The Collegiate High School at Northwest Florida State College is a public charter school of the Okaloosa County School District. The school year 2016-2017 completed the sixteenth year of operation. The school is open to Okaloosa County public, private, or home schooled students who are at the 10th, 11th, or 12th grade level. The purpose of the Collegiate High School is to provide academic and technical education for serious high school students who desire to undertake college-level study. The three-year curriculum enables students to complete a high school diploma and an associate degree, simultaneously, in either academic transfer or technical education options. The high school is distinguished by application of varied instructional delivery and learning styles, a school-wide reading program, a technology-across-the-curriculum approach and incorporation of an integrated academic seminar series at each grade level. The curriculum includes two programs of study, the Collegiate/Dual Enrollment Program and the Pre-collegiate Program.

Overall the school is dedicated to the joy and value of reading. To that end, the Collegiate High School has created an ongoing “culture of reading” which includes a variety of reading initiatives, including traditional coursework, an open-access lending library, online student book reviews, a student book club and a guest reader program.

The school is operated by Northwest Florida State College (NWFSC) and is housed on the NWFSC Niceville Campus. Students attending the school enjoy full access to all college facilities, activities and services. For its seventeenth year of operation, the school received over 165 applications for 113 openings. On August 9, 2016, the school began classes with 287 students.

During the 2016-17 school year, the Collegiate High School conducted operations with revenues of \$1,955,967.46. In addition to \$1,815,435 received through the Florida Education Finance Program (FEFP), these revenues include \$79,475 in capital outlay appropriations, \$28,344 in School Recognition funds, \$14,869 in Federal Impact funds, \$4,565 in Florida Teacher’s Supply Assistance (Lead Teacher) funds, \$441 in Class Size Reduction Reallocation, \$9,011 in Digital Classroom and interest income of \$3,827.46.
